Text: Nehemiah 2:11-18

A. Nehemiah left everything for the sake of the call.

1. *When he arrived in Jerusalem his first priority was prayer!*
2. *We need a clear word from the Lord.*
3. *Be careful who you listen to.*

B. Assess the situation.

1. *What are the current conditions.*
2. *Nehemiah did a night-time personal assessment of the wall.*
3. *A good plan is essential.*

C. The Mission was really spiritual.

1. *Nehemiah's mission was to restore the physical boundaries around Jerusalem.*
2. *It was also to restore the Nation of Israel (God's chosen people).*
3. *Our Mission is to be a dynamic Christian influence in Lincoln and the surrounding area.*

D. How will we get the job done.

1. *Assess the current situation.*
 - i. *We are coming out of the influence of the Covid virus.*
 - ii. *Current growth in Lincoln.*
2. *We need to Pray first then act second.*

3. *We need everyone to get involved in the harvest.*
4. *There is a place for everyone to be involved in the harvest.*
5. *We will establish a fresh plan to equip leadership and everyone who serves. (Discipleship)*
6. *God will partner with us to rebuild our spiritual wall.*

Next Steps: Today I am:

1. *Committing/recommitting my life to Christ.*
2. *Praying for the wisdom needed to fulfil my calling.*
3. *Asking God to clarify my life calling.*
