

Pastor Shelby Sullivan

Pastor Shelby and her husband, Caleb, share a fiery passion for Jesus. Both grew up as "church kids," and met at a monthly youth worship get-together. In middle school, they began to not only "do church things," but develop real, intimate relationships with the living God. Worship has continued to play a huge

role in their lives as they serve as worship pastors at their home base, Rock Church of Tampa Bay. On top of that, their desire to deliver the Good News to the nations has sent them all over the world - to Mexico, Fiji, Bulgaria, Ukraine, and Mozambique - and they have no intention of stopping there.

Pastor Brittany Gillette

Pastor Brittany Gillette is passionate about not only giving God the glory He deserves, but also connecting the people of God to their Heavenly Father. Together with her husband, Jason, she founded One Fire Worship. As a team, they release the sound of heaven all over the Tampa area, working with various local churches and publishing their own compositions

as well. Pastor Brittany is dedicated to putting God in the spotlight. In addition to One Fire Worship, Pastor Brittany is a gifted, anointed speaker.

Pastor Karen Hanson

Pastor Karen surrendered her life to the Lord in 1995 after the unexpected death of her husband. Left as a single mother to her daughter, she knows what it is to trust God to meet her every need - now, she marvels at His faithfulness of the Lord! Her heart is that others would also connect with Jesus and trust His goodness. Coming from a sales and marketing

background, Pastor Karen also holds a master's degree in theology. As a pastor she has worked with children, singles and women, and led teams around the globe. On top of her ministry here at New Hope, she is also the Senior Chaplain at the Pinellas County jail.

With that, her heart is to see others healed from the wounds of the past and freed to live the life God has called them to. Dell has been a guest on radio and television, including the 700 Club and Christian Television Network, and in numerous churches. In addition to books by Dr. Rhonda and Dell, here are others who are LIVING THE DREAM:

Meet the Author

Liz Lyon-Hall is a woman of God addicted to studying the Bible. Born in Jamaica, she moved to the United States at age, where she has lived ever since. Liz lives out obedience to God through a unique career path, including her start as a landscape architect and arborist, to a professional guardian for elderly with Alzheimer's and dementia, into foster parenting, and now as a published author. God's grace and abundance have extended into her family life also, as she is blessed with a husband, two teenage girls, and has recently started all over again in her middle age with two adopted baby boys. This weekend, Liz is introducing the release of her first book, "Hezekiah, A Conversation with the Enemy." This six-week Bible study does exactly that, as revealed to us through Isaiah Chapter 36. Utilizing the framework of the king of Assyria's threats to Judah's King Hezekiah, this spellbinding Bible study delves into the enemy's attack strategies and our best defensive tactics, while expounding on God's purposes and character.
