A vintage television set is shown. The screen displays a black and white portrait of a man with short, dark hair, smiling broadly. To the right of the screen, there are two large, circular control knobs with numbers around their perimeters. The overall image has a blue tint and a slight chromatic aberration effect.

# Vision

/vi-zhun/

1. The ability to see.
2. The image or insight of how something could or should be in the future.

THIS IS  
**YOUR  
YEAR**

Vision is the art of **knowing**  
where you want to go and  
**planning** the steps that you  
need to take to get there,  
and then **following through**.

**Habakkuk 2:2-3 (MSG)** - “Write this. Write what you see. Write it out in big block letters so that it can be read on the run. **This vision-message is a witness pointing to what’s coming.** It aches for the coming — it can hardly wait! And it doesn’t lie. If it seems slow in coming, wait. It’s on its way. It will come right on time.”

**Hebrews 12:1-2 (ESV)** - “Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, **2 looking to Jesus**, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God.”
