

## How to Choose a Church – Part 1

### Connect

1. Give some shoutouts and affirmations to those in your circle by sharing how you've experienced your group being a family.

### Discuss

2. Read Ephesians 2:19. In what ways does a Christian become a “belonger”?
3. In considering Hebrews 10:24, how does community strengthen our character? How have you experienced this in your own life?
4. What are one or two of the “one another” passages of Scripture that you need to personally experience from those in your circle right now? Is it encouragement? Forgiveness? Support? Prayer? Explain.
5. How has the church helped reveal God's vision and purpose for your life?
6. Which question, from the sermon, most resonated with you in choosing a church? Why?
