## Prayer

Heavenly Father, thank you for your constant reminders that I can always find hope and joy in you. Life is ever-changing and seasons come and go but you remain the constant in my life. Your Word tells us to be faithful in prayer, and I know that by doing so, I am able to draw closer to you. Through prayer, I can receive your guidance and be renewed in my spirit.

God, as I reflect on all that you are, I am overwhelmed by your grace, mercy and favor. Even in difficult times, you have shown me that you are still at work on my behalf. You are never far from me, and you are my refuge. With you, God, I know I can be strong and courageous in every situation.

In Jesus' name, Amen.
