

St Tikhon the Patriarch of Moscow, and Enlightener of North America - Troparion & Kontakion

Troparion — Tone 1

Let us praise Tikhon, the patriarch of all Russia, / And enlightener of North America / An ardent follower of the Apostolic traditions, / And good pastor of the Church of Christ. / Who was elected by divine providence, / And laid down his life for his sheep. / Let us sing to him with faith and hope, / And ask for his hierarchical intercessions: / Keep the church in Russia in tranquility, / And the church in North America in peace. / Gather her scattered children into one flock, / Bring to repentance those who have renounced the True Faith, / Preserve our lands from civil strife, / And entreat God's peace for all people!

Kontakion — Tone 3

Today the assembly of New Martyrs / Stands together with us in the Church / And together we raise a festive song / Celebrating the uncovering of the relics of our Hierarch Father Tikhon / Who defeated the enemy and preserved the Faith / While protecting the flock entrusted to him. / For he ever prays for us all / That we may never be deprived of the Love of God.
