Martin Luther

- 1. When God's Word became available to God's people, the world was changed. Has God's Word changed your thinking and behavior? If so, how?**
- 2. Martin Luther was broken by his empty promises to become righteous and holy. He discovered that his problem was bigger than his bad behavior, but rather a sinful soul he could not overcome on his own. How does God's grace address this condition?**
- 3. What did the free gift of grace cost God? How do you personally respond to God based on what he did for you?**
- 4. Some argue that being saved by grace makes it too easy for us to continue sinning with no remorse or repentance. How would you respond to this concern?**
