

Galatians 2:15-3:9

We are Justified by Faith and nothing else

Galatians 2:15-16

- Justified = The ethical transformation of a person's righteousness from merit to that of Christ

Galatians 2:17-18

- Abandoning the law to follow Christ = The way of Righteousness

Galatians 2:19

- The law is a Mirror
 - Through it we realize we cannot save ourselves
 - We die to it knowing that we stand condemned
 - Christ saves us from it with his righteousness and we live for Him (His ways and His will)

Galatians 2:20

- Jesus' sacrificial love

Galatians 2:21-3:6

- Law vs Faith
 - Abraham was the example of faith that predates the law
 - He was justified through his faith and not the law
 - Hebrews 11:8-10
 - Many were justified by faith not by works and all came before the Law, showing that it was God's plan all along to Justify through faith alone.

Galatians 3:7-9

- We need a Savior
