Proverbs 25:2

It is the glory of God to conceal things, but the glory of kings is to search [seek] things out.

7

Seek the Lord

Gathering puzzle pieces of the revealed word (truth) over time as we pursue the Lord until you have a clearer view of what God wants us to do.

8

Ephesians 5

11 Take no part in the unfruitful works of darkness, but instead expose them.
12 For it is shameful even to speak of the things that they do in secret.

9

Ephesians 5

13 But when anything is exposed by the light, it becomes visible, 14 for anything that becomes visible is light. Therefore it says, "Awake, O sleeper, and arise from the dead and Christ will shine on you."

10

Ephesians 5:15-17

Look carefully then how you walk, not as unwise but as wise, making the best use of the time, because the days are evil. Therefore do not be foolish, but understand what the will of the Lord is.

[Hegelian] Dialectics

Dialectics is defined as a process that makes use of contradictory statements or ideas to reach an ultimate truth.

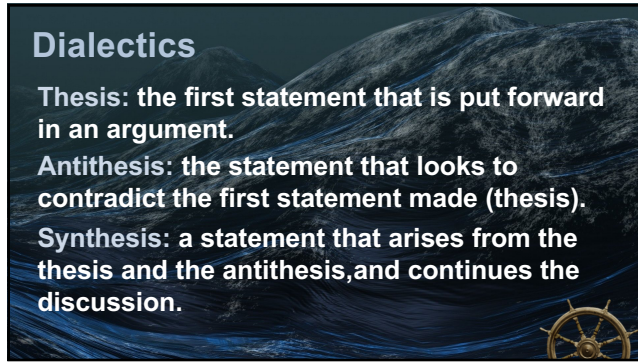

25

Dialectics

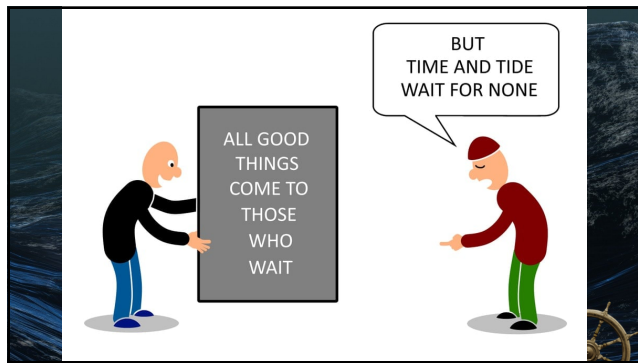

Thesis: the first statement that is put forward in an argument.

Antithesis: the statement that looks to contradict the first statement made (thesis).

Synthesis: a statement that arises from the thesis and the antithesis, and continues the discussion.

26

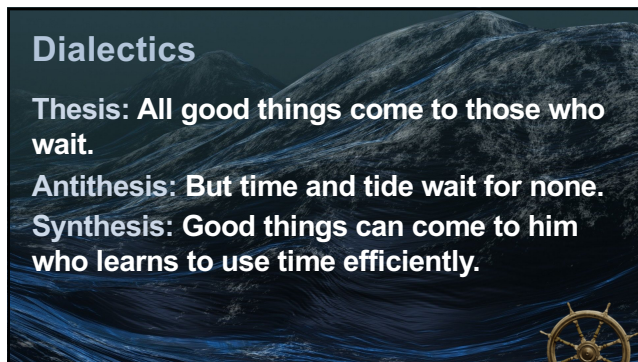

27

Dialectics

Thesis: All good things come to those who wait.

Antithesis: But time and tide wait for none.

Synthesis: Good things can come to him who learns to use time efficiently.

28

Controlled Opposition

Controlled Opposition is a psychological technique that uses undercover operatives who challenge the establishment narratives but only in ways that the establishment allows. Controlled opposition creates an environment for dialectics to operate efficiently.

29

“Finding Our Tribe” Blinds Us

Much of the reason that people have a hard time recognizing the presence of controlled opposition is that we tend to project our own value systems onto others. We are constantly looking for our "own tribe", and when we hear the right words, eloquently spoken, we assume sincerity.

30

We Assume Sincerity When We Hear Our Values

31

Controlled Opposition Leader

Controlled Opposition Leader's apparent contradictions and outright lying goes largely unnoticed by their followers because their attention is regularly redirected to the "abuse" of the leader by the establishment. The abuse may be "staged", or it may be very real but it's meant to build credibility with their followers.

32

"The best way to control the opposition is to lead it ourselves." - Vladimir Lenin

33

Active Dialectics in America

- Thesis** Judeo-Christian values, Prosperity, USA with Constitutional Rule of Law
- Antithesis** LGBTQ, DEI, Marxism, Racism, Woke, Lack, Atheism, Anarchy
- Synthesis** Ruthless Global Dictatorship "One World" with pagan values

Where do I get news/Information?

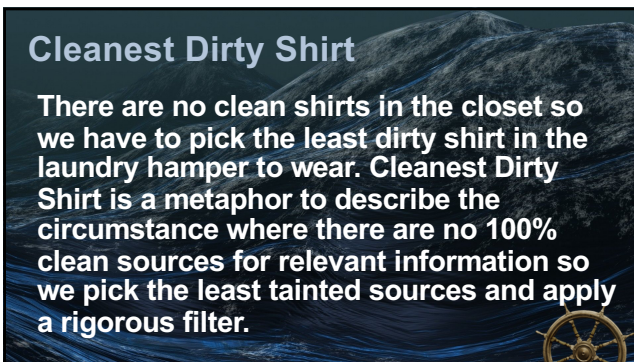

News sources:
 alternative media Alt-Media
 Revolver.News
 The Epoch Times

36

Cleanest Dirty Shirt

There are no clean shirts in the closet so we have to pick the least dirty shirt in the laundry hamper to wear. Cleanest Dirty Shirt is a metaphor to describe the circumstance where there are no 100% clean sources for relevant information so we pick the least tainted sources and apply a rigorous filter.

37

News Filter

We must have an industrial grade filter when consuming news from alternative news sites. A water filter allows us to drink otherwise distasteful or contaminated water. A news filter allows us to learn from a alt-news source that is correct on one issue but totally off-base on another issue.

38

What Can I Do?

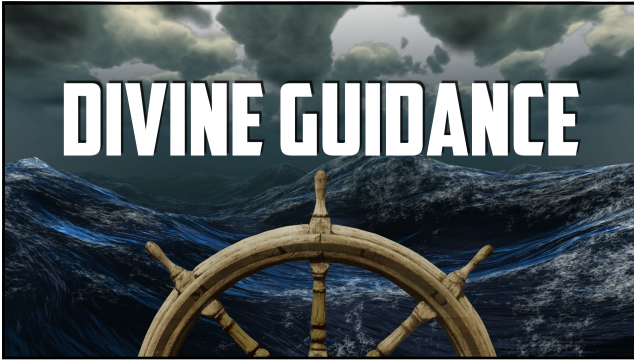

Declare your sole loyalty to Christ
Pursue Christ with all your heart
Educate yourself to shine light
Disassociate from entanglements
Resist by non-compliance

39

Ephesians 5:15-17

Look carefully then how you walk, not as unwise but as wise, making the best use of the time, because the days are evil. Therefore do not be foolish, but understand what the will of the Lord is.
