SMALL GROUP SUNDAY!

April 16

Here at Avalon, our desire is for you to get connected into safe, grace-based relationships! We believe that small groups provide community, support, and are the foundation of the church.

We believe small groups:

- Are an essential part of the Church - developing leaders, volunteers, and people who are educated in their faith
- Provide examples of how the early Christian Church functioned
- Provide much needed community
- Provide accountability
- Provide a place to grow deeper in our faith
- Provide support in times of need and celebration in times of success

SIGN UP FOR A SMALL GROUP!

Are you looking to find a small group to do life with? Save the date for Small Group Sunday on April 16, when we will have tables lining the sanctuary with small group leaders who want to provide a place for you to find community. We are all in the works - let's get in the works together, because we truly are better together!
