THE GOSPEL ACCORDING TO PAUL:

Sharing Diligently

(1 Thessalonians 2:5-12)

Introduction:

Our Sermon Series this year is The Gospel According to Paul. In 1 Thessalonians 2, Paul tells us how we should interact when sharing the Gospel.

1. Be Your True Authentic Self

2. Love First

3. Actively Listen

Conclusion:

In 1 Thessalonians Paul was writing to the church in Thessalonica. He was praising them for their faith; as well as, giving them the reasons for the way He, Silas, and Timothy acted. Chapter 2 gives us not only a way to share the Gospel, but really tells where you personally need to be in order to be able to ***Share Diligently!***
