As construction continues, we kindly ask everyone to use the east side driveway only. To keep traffic moving, do not idle your vehicle next to the building unless you are dropping off someone who needs ramp access. This may require a bit more walking, so please plan accordingly (an umbrella might help!). Thank you for helping us keep things running smoothly.

If you have any questions or concerns about the building expansion, please contact John Dyck from the building team: 519-919-6816.
