Group Questions:

1. How does putting God first in your life change the way you view dating and relationships?
2. What are some practical ways to keep the goal of marriage central when dating?
3. How can we discern godly character in someone beyond just physical attraction or chemistry?
4. Why is pursuing purity about more than just physical boundaries? How can emotional purity be guarded as well?
5. What role should family, church, and friends play in a healthy dating relationship? Have you experienced positive or negative examples?
6. How do you personally handle waiting for God's timing in relationships or other areas of life?
7. What are some red flags you think people often overlook? What green lights are most important to you?
8. How can singles find contentment and purpose while waiting for the right relationship?
9. If you're a parent or mentor, how can you encourage younger people to pursue God-honoring relationships?
10. Which part of this sermon challenged you the most? What's one step you can take this week to grow in that area?
