

Group Questions

1. Share with the group about the best job you have ever had. What made it your favorite job?
 - a. Now share about the worst job you ever had and why it was so bad.
2. Why might this section of scripture be so controversial in Paul's day?
 - a. Why might it be potentially controversial in our own day especially in recent days?
3. In your current job/position/work environment where do you feel you should most improve your Christ-like work ethic?
 - a. How difficult is it for you to do your work unto Christ and not as a people pleaser? Why?
 - b. If you have a position, boss, co-workers, or responsibilities that maximize your sanctification how might V8 really encourage you?
4. Have you been in the past or are you currently a supervisor? Don't use names but tell us about an employee that has been difficult for you to oversee. What made them or the situation so difficult for you?
 - a. As you look back upon that how did you fail to act as Paul asks us to here?
 - b. How should or does V9 help you to shape your view on leadership and toward your supervisors?
5. In your opinion why does Paul place this section here and now in this letter?
