Group Questions

1. How *should* knowing that everything belongs to God change the way we view our finances, time, and talents?
2. Can you share a time when you felt like God used your resources for His purposes?
3. Looking at your spending and giving habits, what do they reveal about your priorities and heart?
4. How can we guard against allowing money to become an idol in our lives?
5. What practical steps can you take to make giving first a natural habit in your life?
6. How does giving generously challenge your faith and trust in God?
7. When you face financial fear or uncertainty, where do you typically place your trust?
8. How can Scripture encourage you to rely on God rather than your savings or investments?
9. What “more” do you find yourself chasing, and why do you think it hasn’t satisfied you?
10. How can contentment in God change the way you approach your finances, possessions, and goals?
