WEEK 3

Spiritual Gifts

November 8 · Romans 12:6–8

Discipleship questions for table groups, huddles, or one-on-one conversations.

1. When you hear “spiritual gifts,” do you tend to feel excited, unsure, or like it doesn't apply to you? Why?

2. Verse 6 says every believer has a gift by grace, not merit. Do you actually believe that's true of you — or do you quietly think you were skipped?

3. Looking at the list — prophesying, serving, teaching, encouraging, giving, leading, showing mercy — where have you already seen fruit or felt alive when you've done it, even informally?

4. An unused gift isn't just a private loss — it's something the body is living without. Is there a gift in you right now that's sitting unopened? What's kept it that way?

5. What's one concrete way you could use your gift outward this month — beyond the church walls — toward someone who needs exactly what you have to offer?
