

FAN THE FLAME

Taking Up the Charge · 2 Timothy

WEEK 5

Finish the Race

September 6 · 2 Timothy 4:1–22 · Series Finale

Discipleship questions for table groups, huddles, or one-on-one conversations.

- 1** When you picture finishing your life well, what does that picture actually look like for you?
- 2** Paul says “I have fought... I have finished... I have kept” — not “I won every battle.” Where do you need to release perfectionism and just keep going?
- 3** Demas walked away because he “loved this world,” but Mark, who once quit, was restored and became useful again. Which story feels closer to where you are right now?
- 4** Even near death, Paul says “come quickly” — he still needed people. Where do you resist admitting that you need others?
- 5** This is the question the whole series has been building to: have you named your Timothy — the person you will intentionally invest in over the next year? Who is it, and what's the very next step you'll take with them this week?
