Taking Up the Charge · 2 Timothy

WEEK 2

Be Strong

August 16 · 2 Timothy 2:1–13 · Series Hinge

Discipleship questions for table groups, huddles, or one-on-one conversations.

- 1** Can you name your “Paul” — someone who has invested in your faith? What did they give you that you still carry?
- 2** Can you name your “Timothy” — someone you are currently investing in? If you can't, why not?
- 3** Of the three pictures in this passage — soldier, athlete, farmer — which one names what you're struggling with most right now: focus, integrity, or patience?
- 4** What “civilian affairs” (v. 4) are entangling you and crowding out your availability to invest in someone else's faith?
- 5** If the gospel is only ever four generations from dying out in your family or friend group, what needs to change in you this week to keep the chain from breaking with you?
