

THE HOLY SPIRIT

The Person and Work of the Spirit

WEEK 5

The Filling & Walking in the Spirit

November 22 · Galatians 5:16–25; Ephesians 5:18 · Series Finale

Discipleship questions for table groups, huddles, or one-on-one conversations.

- 1 Did you know the difference between the Spirit indwelling you (once, permanent) and being filled with the Spirit (repeated, daily)? Which one have you been neglecting to actually pursue?
- 2 “Be filled” is a command for every believer, not just the spiritually elite. Does that surprise you, convict you, or relieve you?
- 3 Where do you currently feel the tension Paul describes — the flesh and the Spirit pulling in different directions? Be specific.
- 4 Think about your actual yesterday. Were you walking in step with the Spirit, matching His pace — or were you sprinting ahead on your own plans, or dragging behind in delayed obedience?
- 5 This is the series' closing question: not “do you have the Holy Spirit” but “does the Holy Spirit have you — today?” What's the one thing you need to surrender to Him right now for that to be true?
