The Great Commission

The discipleship journey

WEBSITES

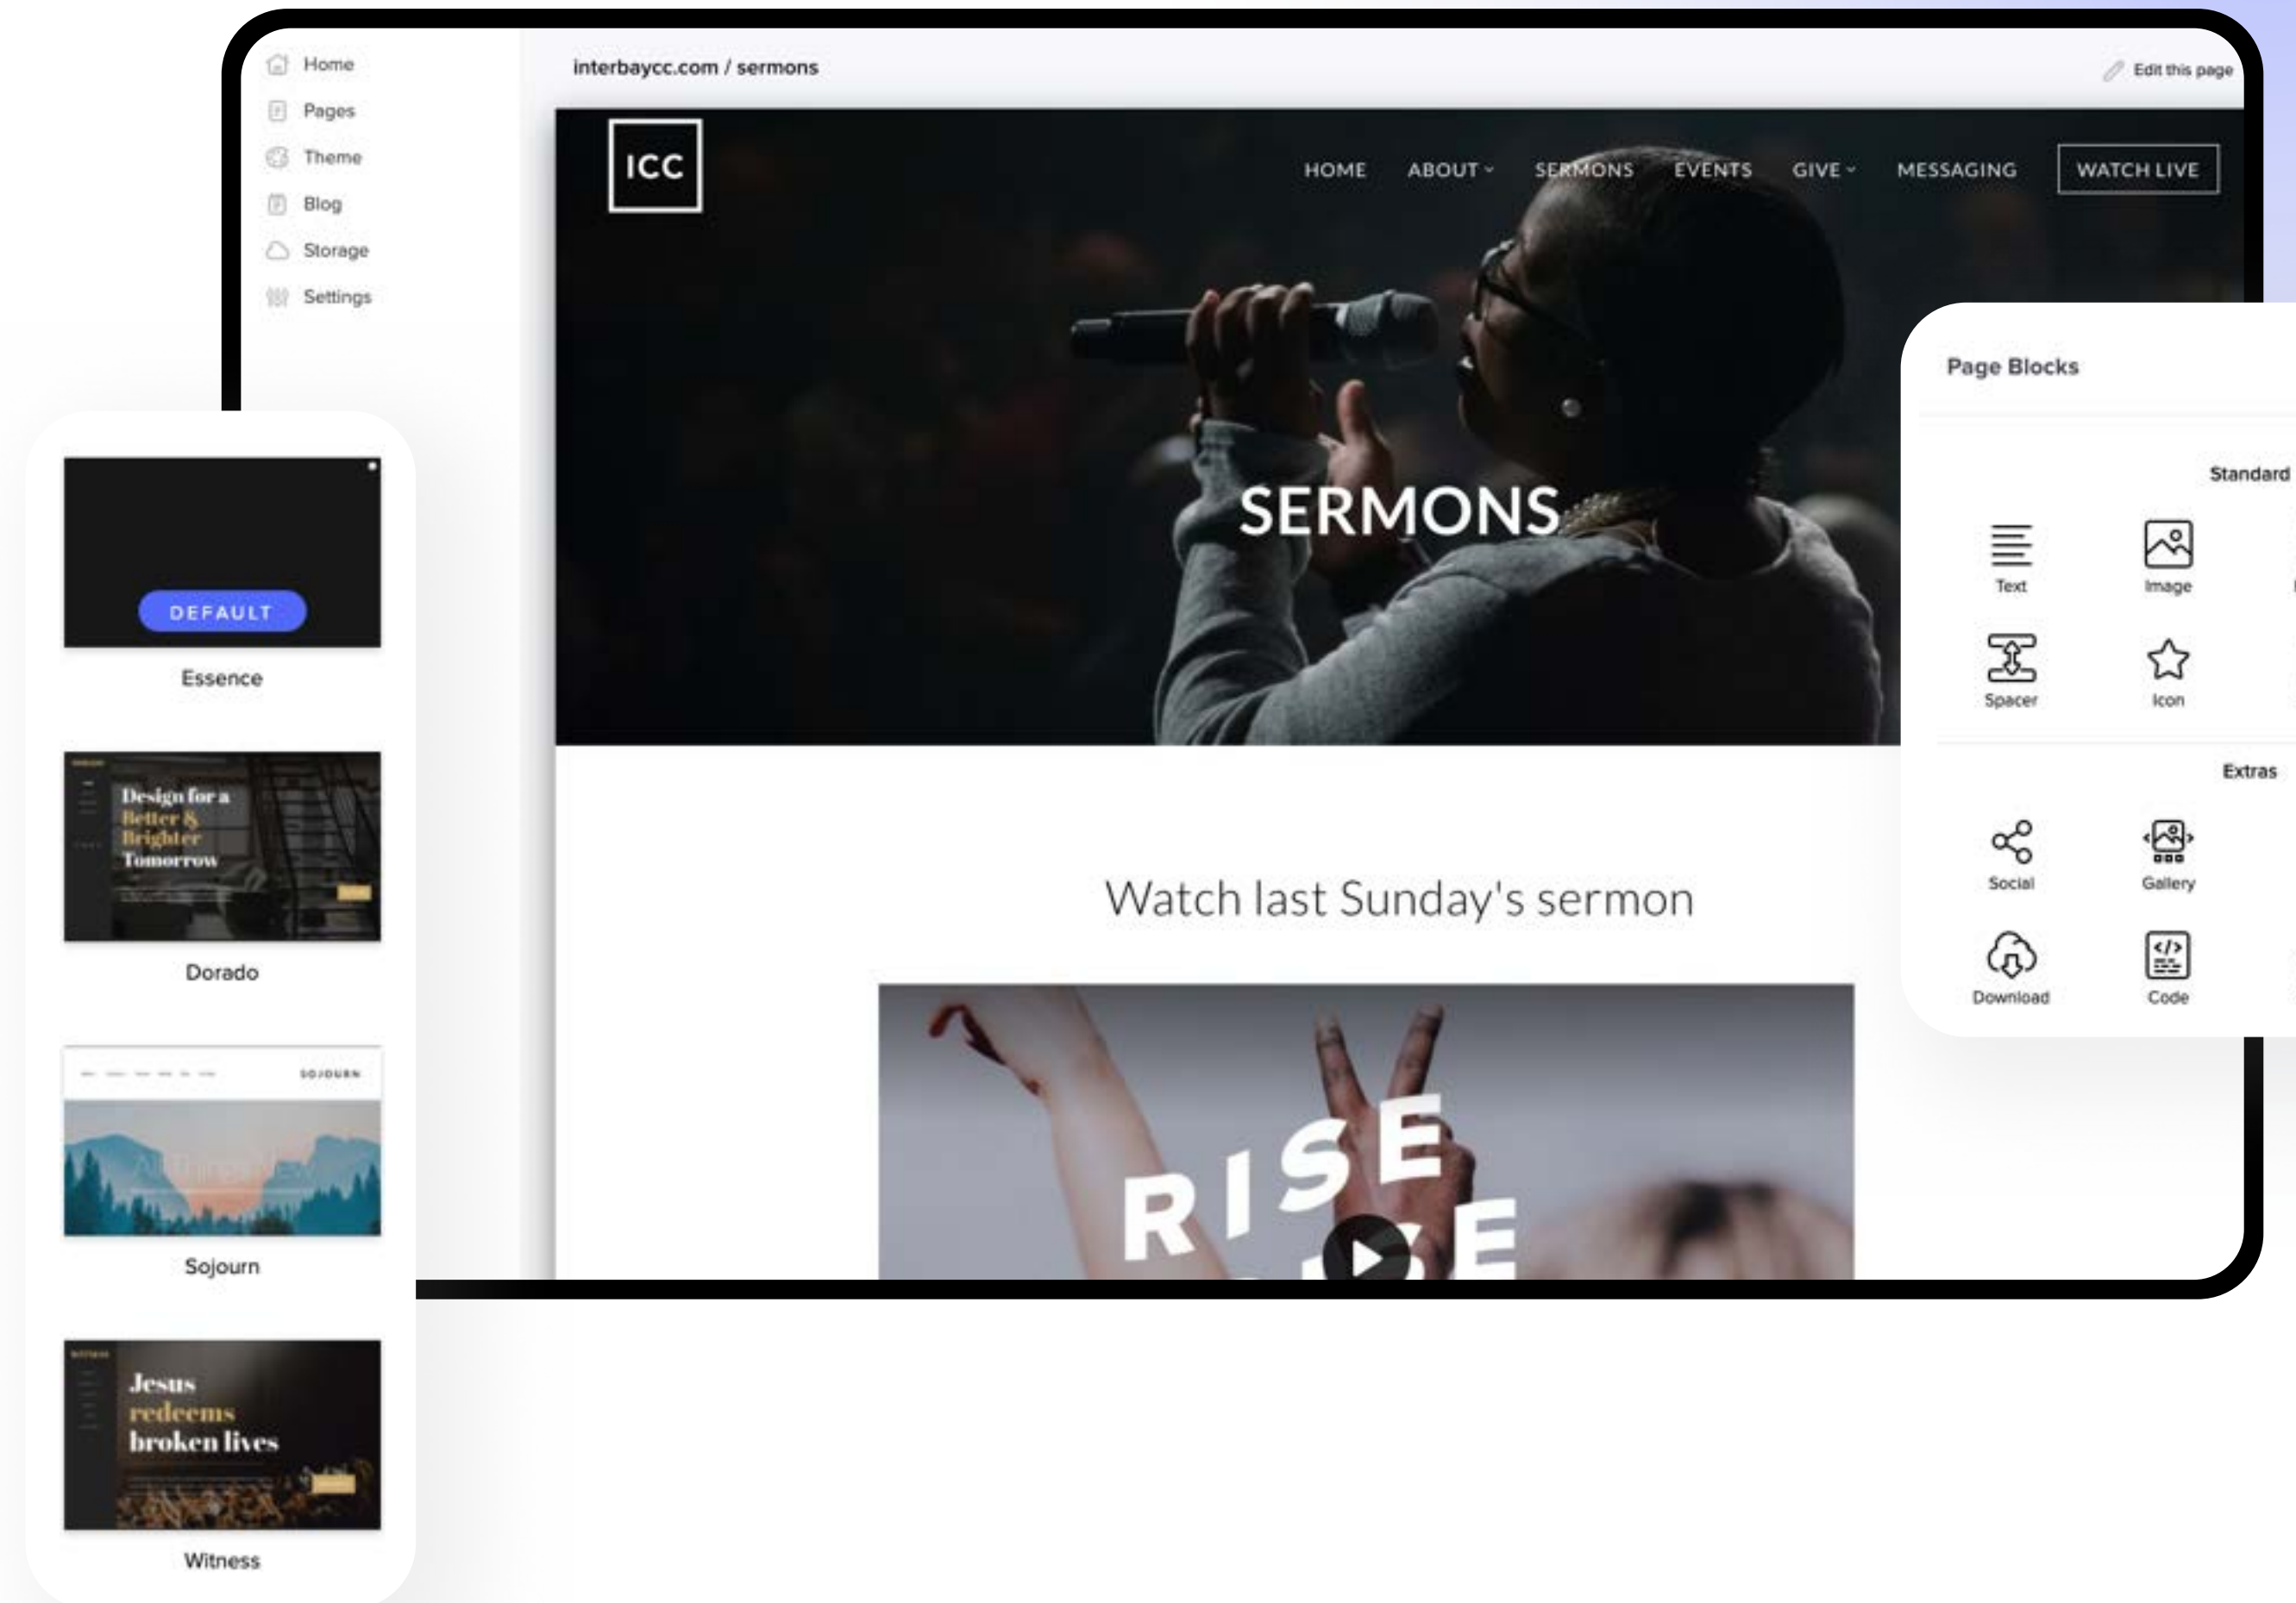

Your digital front door

Did you know?

You have less than a half a second to make a good first impression with your website.

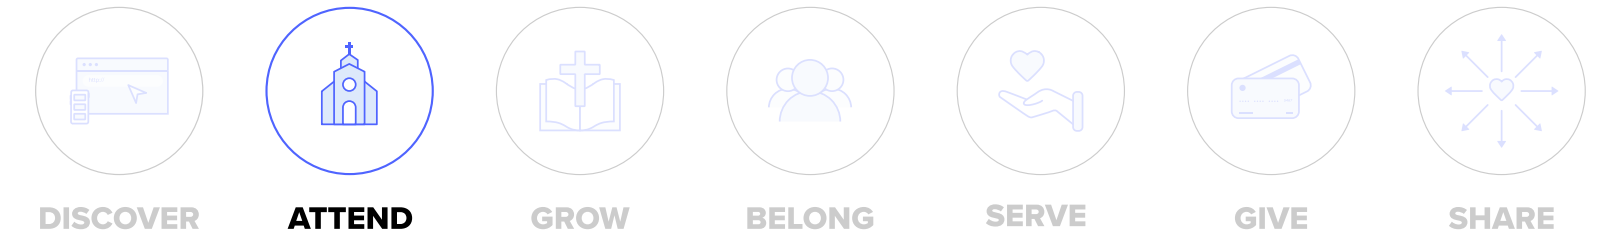

Features

- Custom church templates
- Drag & drop editor - no coding experience needed!
- Mobile responsive design
- Advanced search engine optimization (SEO) tools
- Unlimited page builder
- Built in security & stability
- Blogs, forms, media, and storage
- Online giving & live streaming integrations

MOBILE & TV APPS

Your church's content available anytime, anywhere

Did you know?

Americans check their phones 262 times a day and nearly 90% of time spent on a phone is inside mobile apps.

Features

- Your own branded app—not a container app!
- Custom Mobile Apps available for iOS & Android on phones and tablets
- Custom TV Apps available on all Apple, Amazon, Google, and Roku smart TV devices
- Drag & drop builder—no coding experience needed!
- Customizable layouts
- Unlimited page builder
- Free artwork & branding guides
- Smart media tab

LIVE STREAMING, MEDIA & BIBLE READING

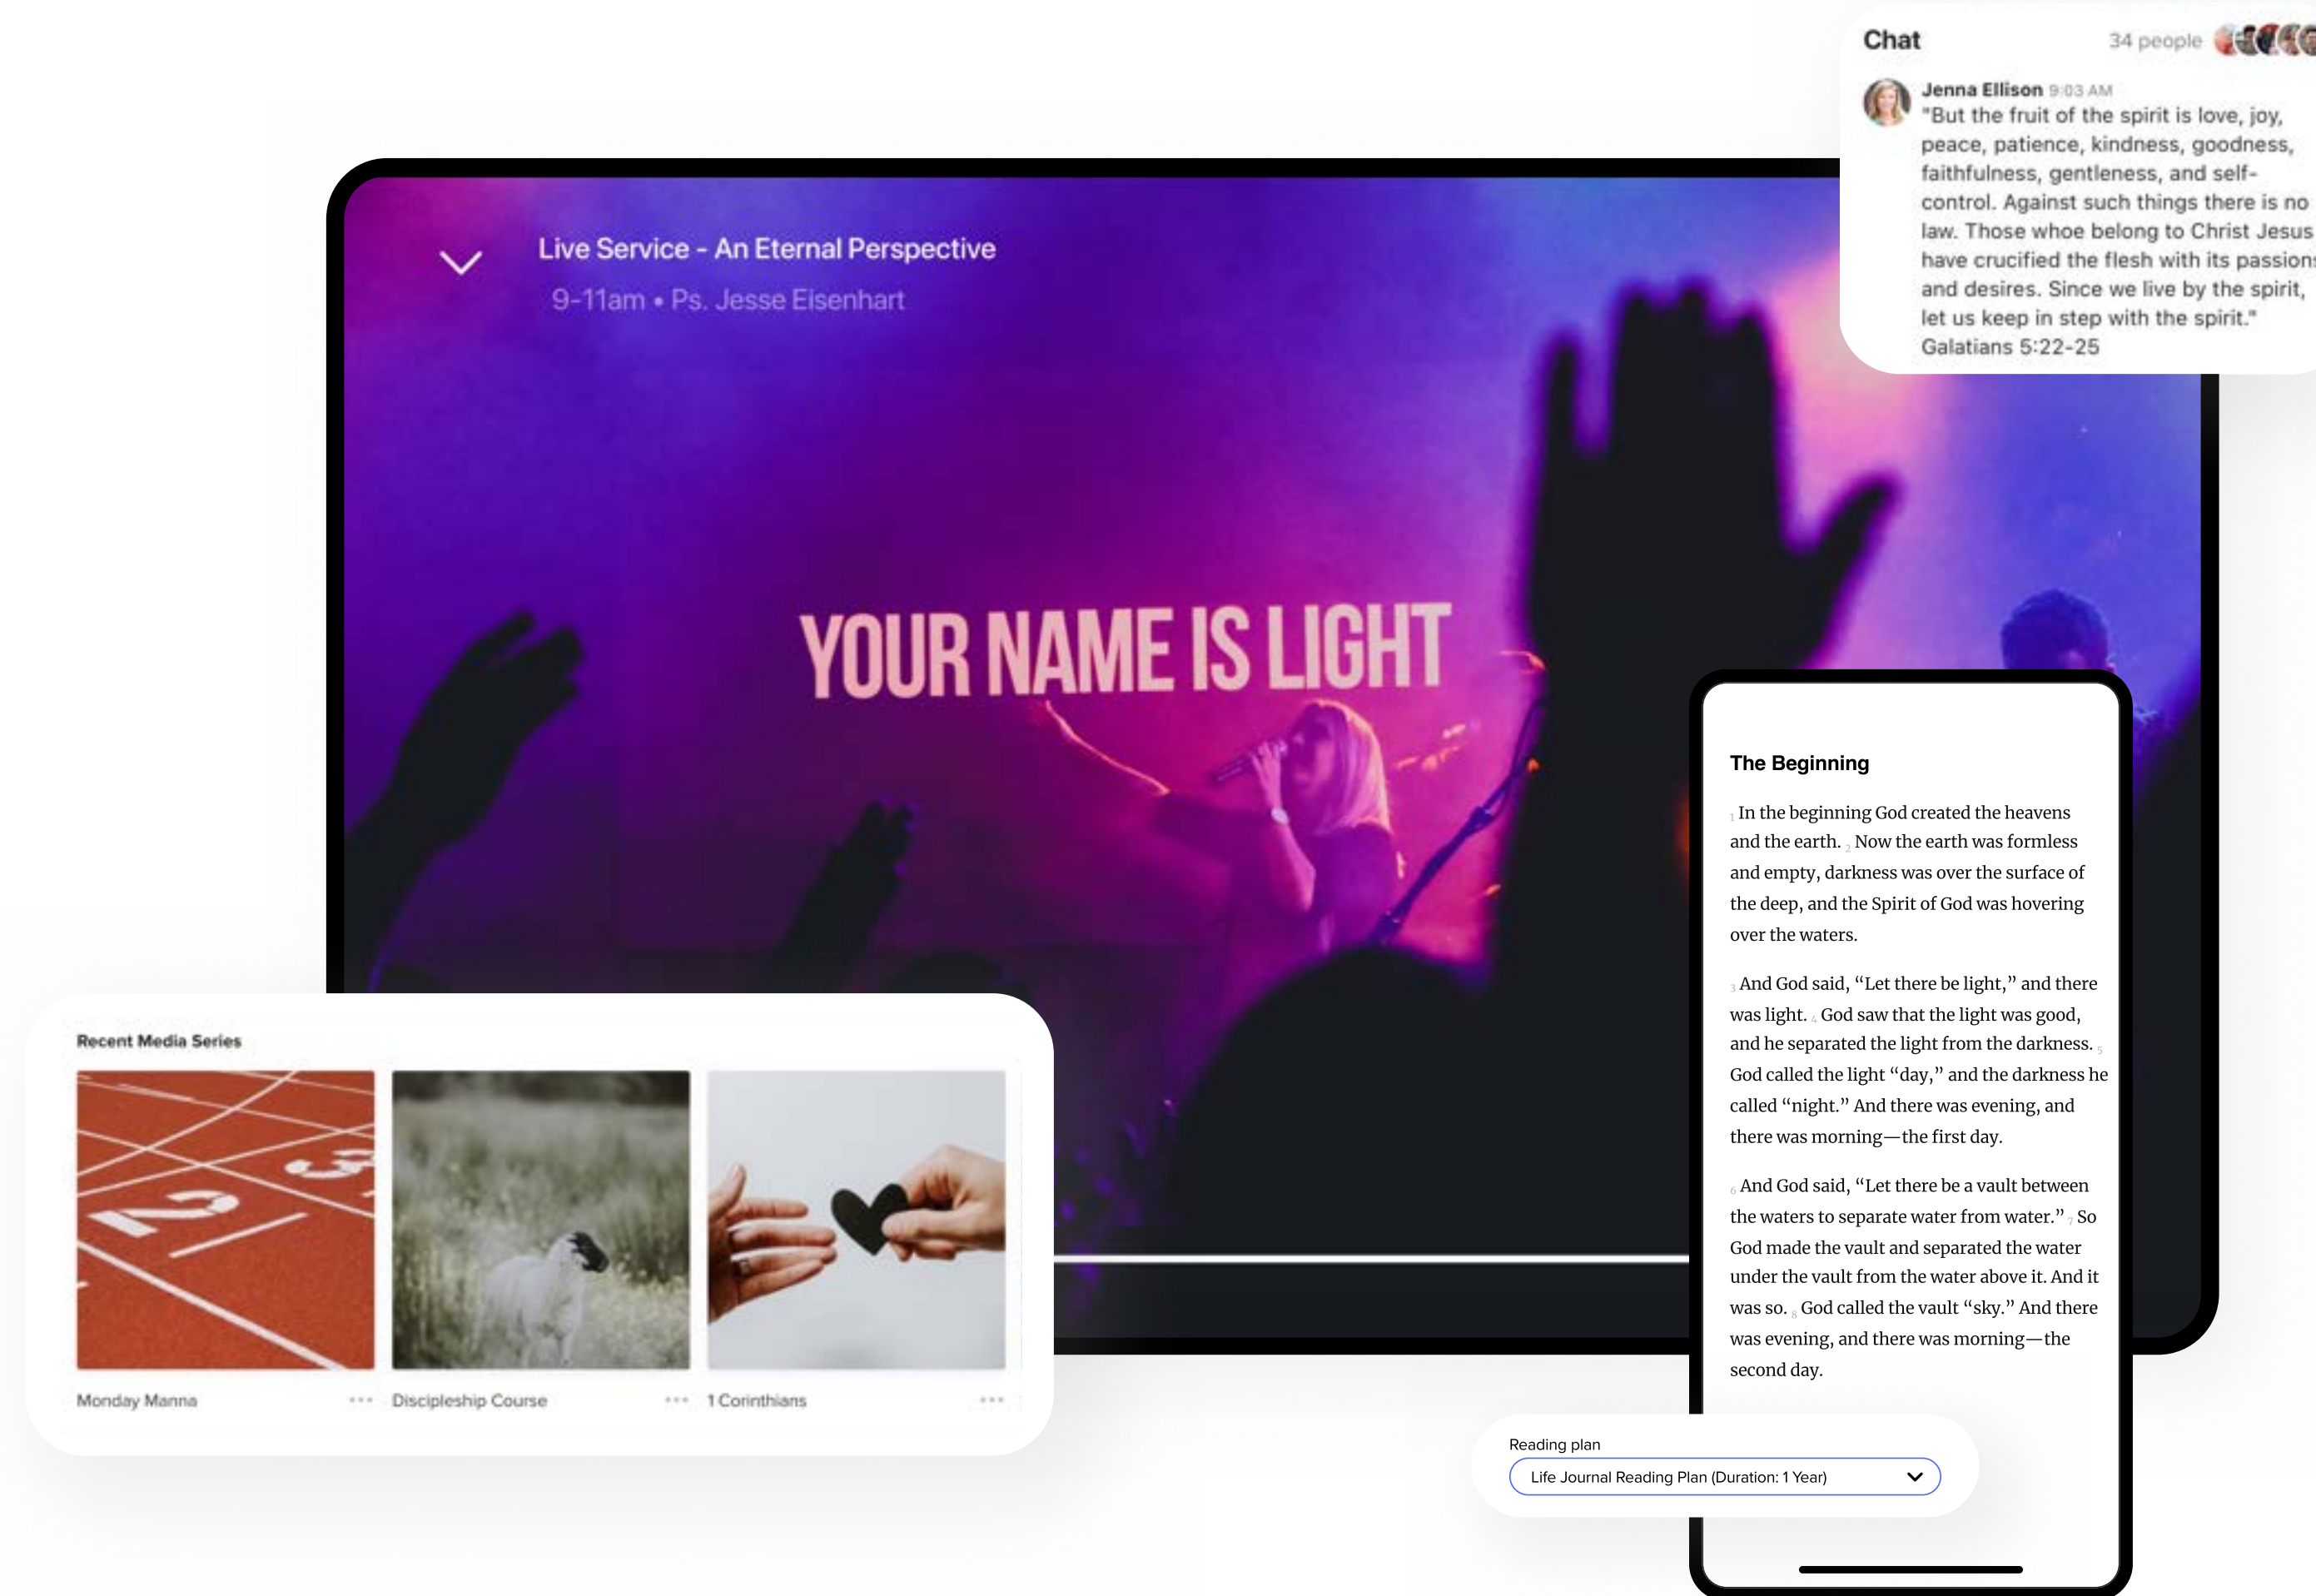

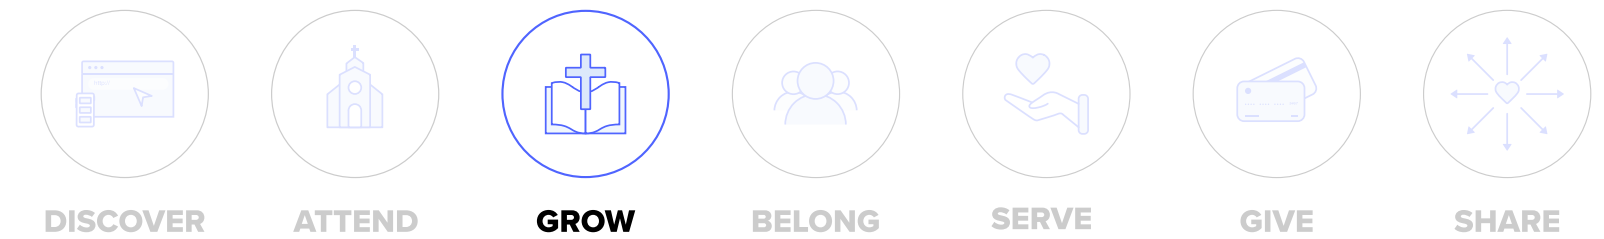

Make the truth of Jesus more accessible

Did you know?

Most big tech companies have the right to censor, suppress, edit, and monetize your content.

Features

- Stream to your app & website, while simulcasting to Facebook & Youtube
- Countdown clock before next message
- Publish to app, website, & podcast with one click
- Robust cloud storage
- No commercials, ads, or suggested content
- Scheduling, pre-promotion, live publishing, post-production trimming, archiving, and post-promotion within one dashboard
- Premade and customizable Bible reading plans

SUBSPASH®

MESSAGING, GROUPS, EVENTS & PUSH NOTIFICATIONS

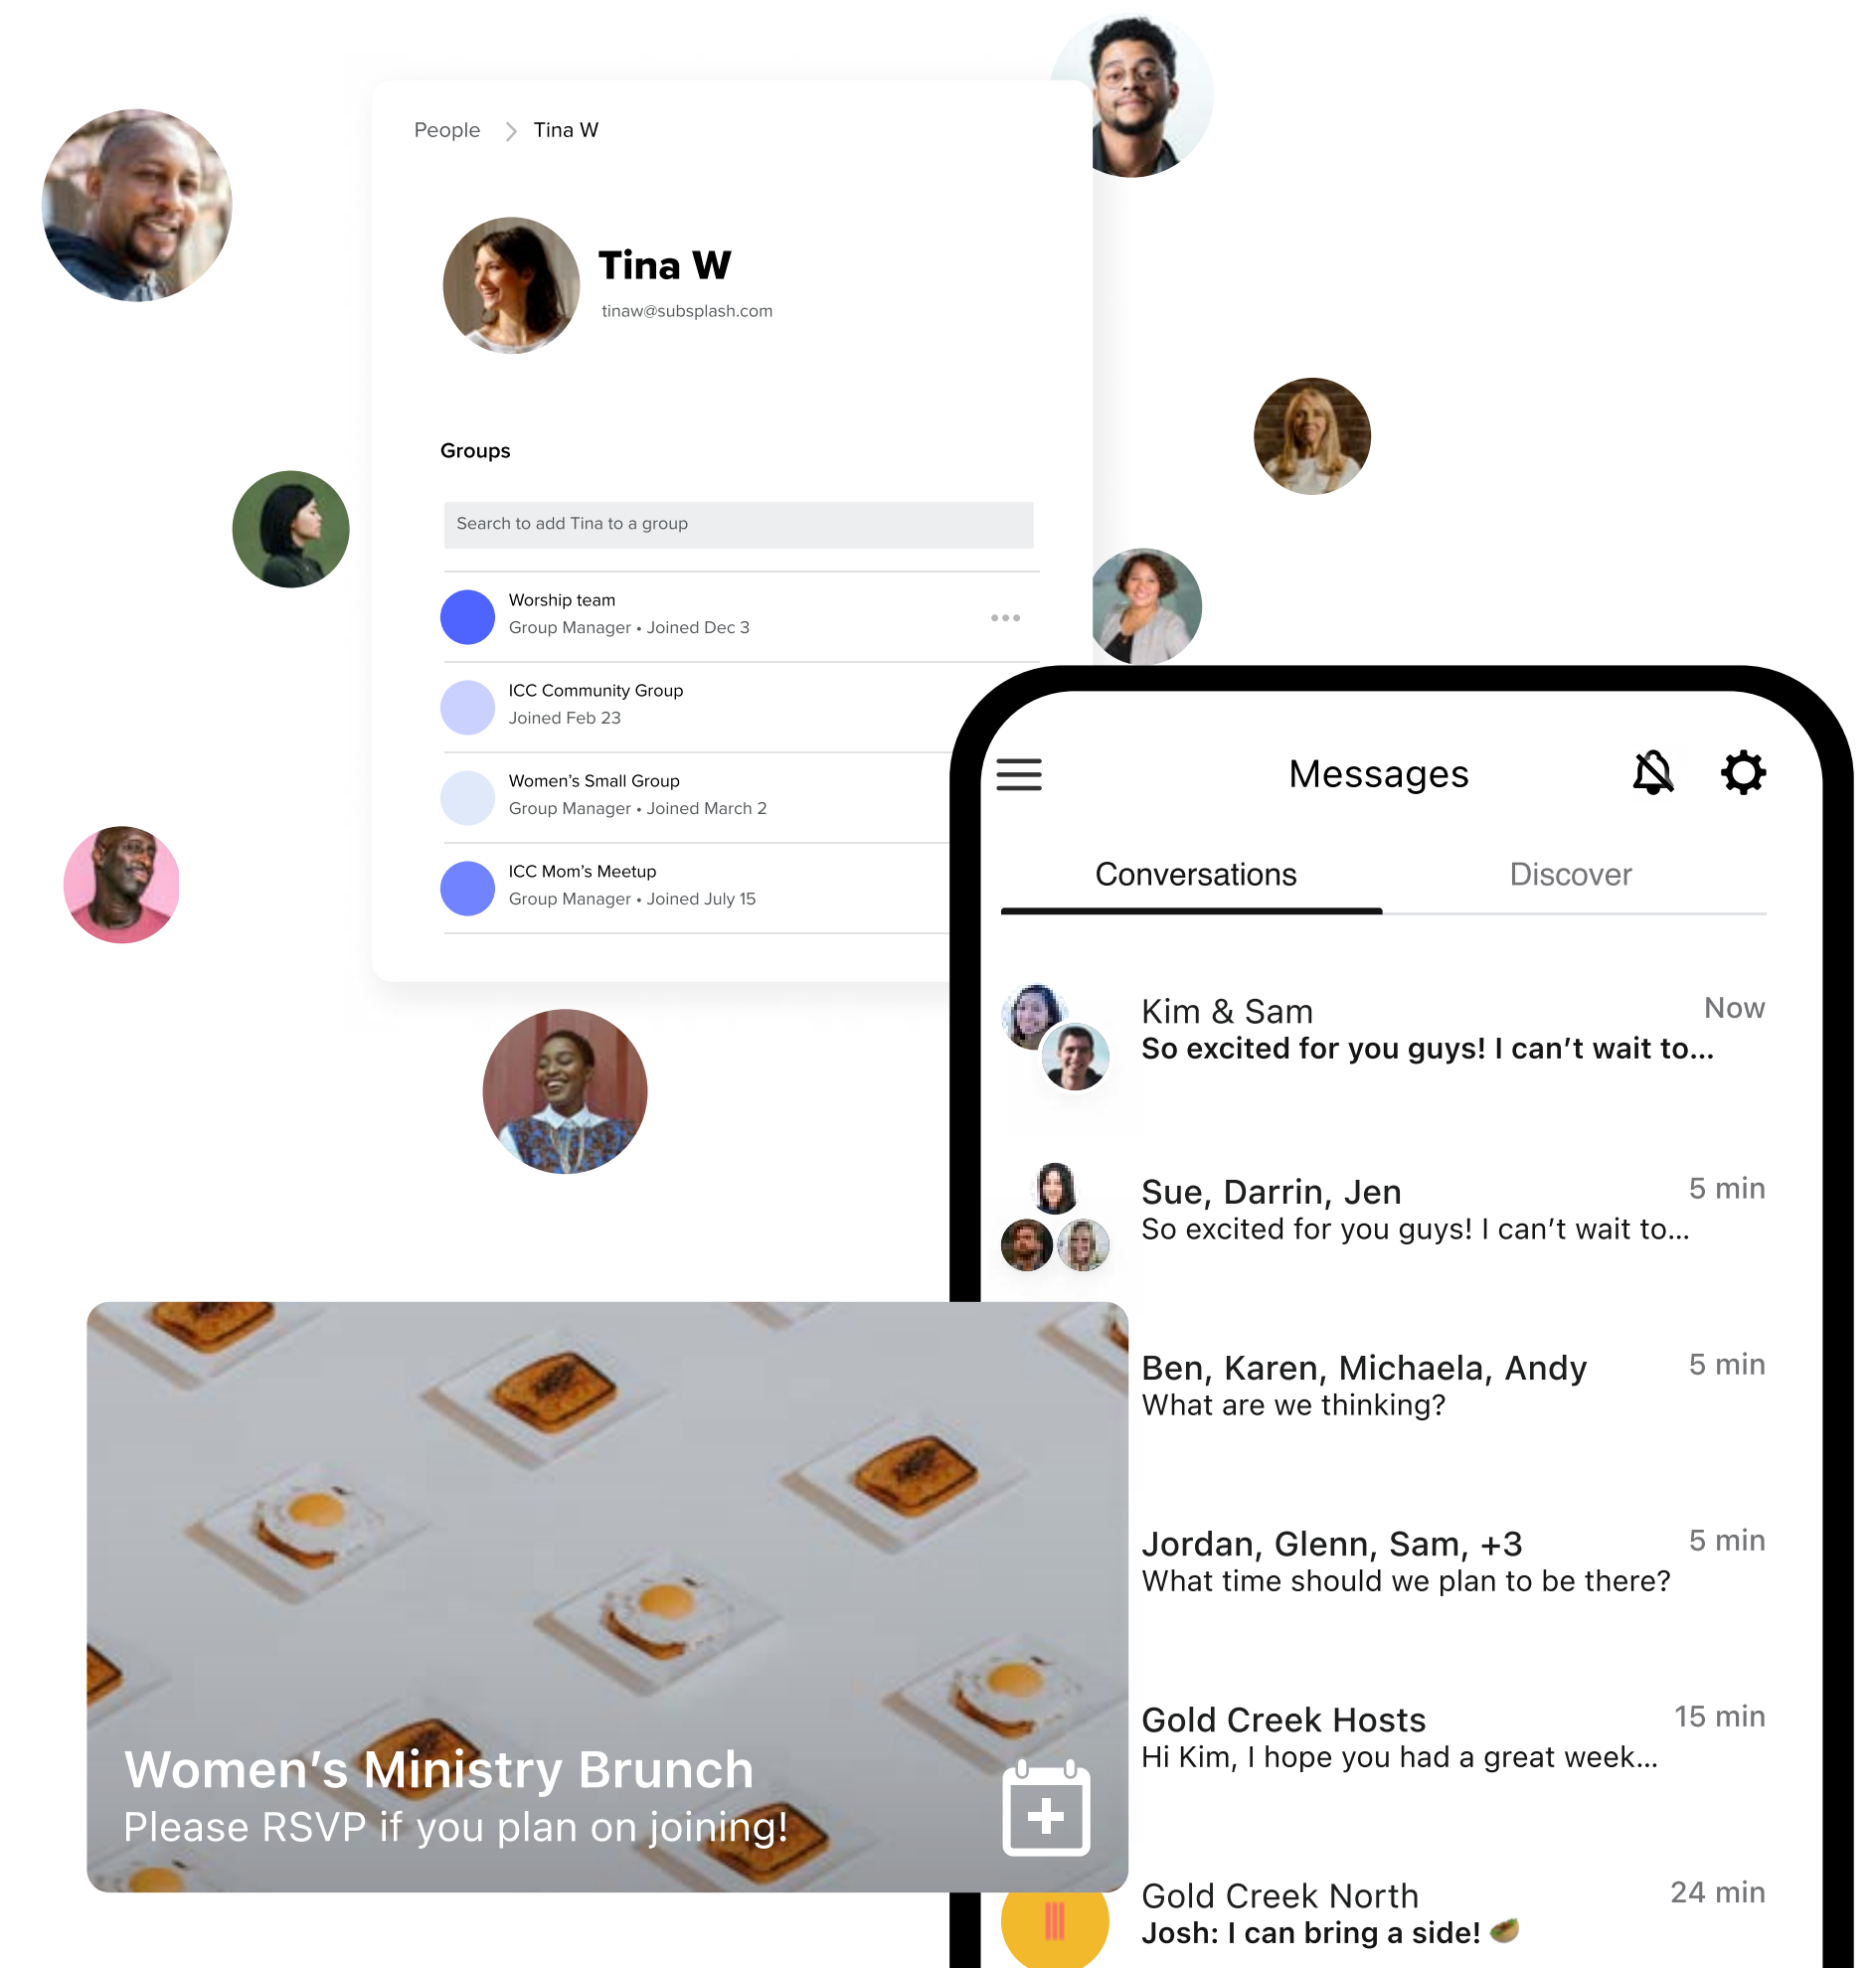

Authentic community that goes beyond Sunday

Did you know?

Chat messengers have an 8x higher open rate than email.

Features

- Public, private, and request-to-join groups
- Pictures, GIFs, polls, and prayer requests
- One-click event publishing to app & website
- Free & paid event registration
- Forms, digital bulletins, fill-in-notes, and PDF notes
- Blogs, podcasts, and music player
- Free content from The Chosen, The Bible Project, Ligonier, and Wild at Heart

CHURCH MANAGEMENT

Simplify volunteering, check-ins, & communication for your teams

Did you know?

Staff burnout has increased & the number of church volunteers has declined over 20% post-pandemic.

Features

- Unified people database
- Child & adult check-in
- Mobile pre-check with custom apps (coming soon)
- Volunteer management
- Email and sms text messaging
- Service planning
- Song Select integration
- Forms

GIVING

Grow generosity & fuel your mission

Did you know?

Subsplash Giving clients usually see 5–30% giving growth in the first year with our complete donor management system.

Subsplash Giving with GrowCurve™

Available to exclusive partners for 2.30% + \$0.30 for all card transactions, 1% for ACH transactions.

- *GrowCurve™ can reduce card fees as low as 1.9% + \$0.30 and ACH Fees 0.5% based on volume.*

Subsplash Giving

Available to non-exclusive and non-profits for 2.99% + \$0.30 for all card transactions, 1% for ACH.

Donor-Covered Fees

Help drive effective rates lower by allowing donors to pay for the processing fees. This is available for all Subsplash Giving partners!

Transaction detail	Date	Donor	Fund / Sub-fund	Frequency	Status	Amount
