

## Mother's Day Message

**Bible Text:** Exodus 2:1-10 & Hebrews 11:23-26

**Big Idea:** What if the greatest impact we can have for Christ is how we raise our children?

### Open Up

What is one of your favorite memories with your mom? What values did she teach you as a child and/or continues to teach you?

### Dig In

#### **Read Exodus 2:1-10**

What outstanding circumstances led baby Moses back up in his mother's care? How do you see God's providence in this story? Why do you think it was important that he was raised by his mother?

What characteristics did Jochebed's actions display? Can you think of a moment Moses displayed similar character traits in his life?

#### **Read Hebrews 11:23-26**

Why did Moses' parents hide him for three months? What did that teach Moses about Pharaoh and his commands? What did that teach Moses about loyalty and love?

#### **Read Proverbs 22:6**

What does it mean to "train up" children in the faith? How does one practically train up their children as young children? Then as teenagers and as adults?

#### **Read Titus 2:1-8**

What is the call for all men and women for the younger generation? How can you be an example of gospel integrity to those younger than you (physically and/or spiritually)? How can you help "train up" those who look up to you?

### Close Out

How can you be intentional with teaching your children Christian values this week? How can you model love for God in your personal life?
