

## Christianity On Trial | Week 6 Study Guide

### Why do Christians think Christianity is the only right religion?

**Bible Text:** John 3:16-21, John 14:1-7

#### Open Up

If someone asked you what separates Christianity from all other religions, what would you say?

How have you seen the power of the Gospel work in your life?

#### Dig In

**Read John 3:16-18**

In all other religions you must do something to receive “salvation”. As a Christian it’s all about what Christ already has done. How does that difference affect how we should live?

**Read John 3:19**

It says here that the people loved the darkness. Why do people choose to live in darkness rather than in the light?

In what ways are you tempted to love the darkness sometimes? How do we fight against that?

**Read John 3:20-21**

If you knew every work you did, both good and bad, would be available for all to see. How would that make you feel? How would your actions change?

Do your actions suggest to others that Jesus is truly the better way? Can they notice a difference in you from the rest of the world?

#### Close Out

How would you try to convince someone who is skeptical about Christianity that Jesus is the Way?

How has Jesus worked in your life to strengthen your faith in Him?
