## SERVING ONE ANOTHER & THE CHURCH IN LOVE

# JOHN 13:34-35

"As Christians, we are called to love and serve one another. This means putting others before ourselves, using our gifts to bless others, bearing one another's burdens, and speaking truth in love. When we serve one another in love, we reflect the love of Christ to the world and fulfill His commandment to love one another. Likewise, Serving the church is an important aspect of our Christian faith. We can use our gifts to build up the body of Christ, pray for the church and its leaders, give generously of our time and resources, and serve with a humble and willing heart. By serving the church in love, we not only bless and strengthen the body of Christ, but we also grow in our own faith and obedience to God."
