

I Seek Not Yours, But You
2 Corinthians 12:11-20
The Ministry of Brokenness

We are in danger of being _____ when we are . . . (vv. 11-13)

But we are *also* in danger of being foolish when

we don't _____ others

we _____ others

we don't show _____

we believe the _____ instead of the _____

To _____ relationships (vv. 14-18)

_____—as many times as it takes

seek _____, not _____

_____ in the future of the relationship

_____ and be _____ (some relationships are exhausting—but they are the right ones!)

_____ people

To _____ relationships, make every conversation (vv. 19-21)

_____ to God

_____ to Christ

_____ to others

mutually _____

The fear of broken relationships disappears in the humility of the Gospel.

Jesus saturates those whom He saves.
