[Default Arrangement]

V, C1, C2, B, C1, C2

## Verse:

Come into the room  
I've prepared a table just for you  
My prized and precious jewel  
I just want to sit and adore you

So come and drink deep of my love  
And know my love you've always been enough

## Chorus 1:

Don't be afraid  
I have redeemed you  
and I've call you out by name  
You are mine  
Open up your eyes  
to see that you're precious in Mine

## Chorus 2:

Come and drink deep  
Everything you'll ever need  
is found right here in me  
You are my desire  
Know My heart, it longs for you  
to be with Me My child

My beloved  
My beloved

## Bridge:

Come sit with me  
and know that you are never alone  
I know your fears  
but I am here to carry you home
