V:

In the garden's hidden press
You were crushed in righteousness
Holy oil began to flow for sins

PreC:

From the pressing flowed the oil
From surrender came the scent
You humbled yourself, the cup of death

Chorus:

oh the fragrance of the King
Oh the essence of your love, your love, your love
Fix my eyes that I might sing
I'm drenched in the heaven's-scent
The presence of my King

V2:

Iron pierced through perfect flesh
Perfect Love poured out for all
Creation watched the Maker break

PreC2:

Sweet surrender of your breath
You laid down what only You could give
You humbled yourself, the cup of death

Chorus:

oh the fragrance of the King
Oh the essence of your love, your love, your love
Fix my eyes that I might sing
I'm drenched in the heaven's-scent
The presence of my King

V3:

Now the Risen, Risen King appears
Death is undone, and Victory here

Alive, Alive, He is Alive

PreC3:

Sweet Victory of your breath
Life returned and conquered death
You swallowed it up, forever AMEN

Chorus:

oh the fragrance of the King
Oh the essence of your love, your love, your love
Fix my eyes that I might sing
I'm drenched in the heaven's-scent
The presence of my King

Bridge:

Poured out in love, you made a way,
Poured out in Praise, we lift your name, we lift your name

The King is coming,
The King is coming
