

A surreal landscape with a floating mountain, a person on a rock, and geometric lines. The background is a gradient of teal and purple. A large, dark, jagged mountain floats in the sky, with a white, crystalline structure on its peak. A person stands on a small rock in the foreground, looking up at the mountain. The scene is overlaid with a network of thin, white lines forming various geometric shapes, including triangles and rectangles. The overall mood is mysterious and ethereal.
