Part 3: "Facing the Future Without Fear" (Part 1)

Parameters in Discerning End Times Events & Prophecies

1. Recognize that not _____ natural disaster or global catastrophe is a prophetic event or sign.
2. Recognize that everything must be scrutinized through the lens of _____, not the other way around.
"Now concerning that day and hour no one knows – neither the angels of heaven nor the Son – except the Father alone." Matthew 24:36
3. Recognize that the signs given in Scripture relate to the _____ not the _____.
4. Recognize that the majority of events that we may associate with prophetic/end time events in our world today are not the fulfillment of prophecy, but a _____ of what is to come after the rapture.

Prophecy Timeline

It is confusing to refer to the rapture as the second coming. These are two distinctively different events.
