The Next Generation
Psalm 78

The root of the problem that led to the Israelites repeating the pattern of sin was **forgetfulness**.

“.....Tell a future generation the praiseworthy acts of the Lord, His might, and the wondrous works He has performed.” Psalm 78:4b

SO THAT:

- The next generation may **believe** in God and **rely** on His salvation.
- They will have **confidence** in God.
- They will **keep** His commands.
- They will not forget **His works**.

We want the next generation to:

- **Know** God
- **Trust** God
- **Obey** God
