

**BACKWARD, NOT FORWARD**  
**Jeremiah 7:24**

**Pride**—I have good news for you! God does not want to hurt your pride—He wants to kill it!

**Prayer**—To learn from Jesus in prayer is to embrace humility. Those who are too busy to spend time with Jesus...are too proud to learn from Him.

**Repenting from Religion**—We don't behave differently to be loved by God, but because we **are** loved by God.
