QUESTIONS

- What "in-between" or liminal/confusing space(s) am I in? What invitation from God might there be for a reframe in the midst of this?
- What am I asking or expecting God to fix or restore? In what ways do I feel "unstrung" by unfulfilled expectations or a sense of loss?
- What might it mean to receive dynamic power in the midst of my confusing, difficult, liminal space(s)? What might it look like to bear witness to God in the midst of unknowns, anxiety, and a world of injustice?
