## CONTEMPLATION QUESTIONS

- In your crisis, worry, pain, or wondering, how are you trusting in Jesus more than the outcome you seek?
- Where in your life do you need a deeper surrender to the Lord? How will that open up God's provision?
- How are you challenged to be more open and honest with those around you? What step will you take toward that this week?
- Who or what have you been trying to save lately? How can you change that into "Hosanna?"
- How are you awaiting God's surprising action in your life? Do you really expect it to happen in you and around you?
