EVENTS & REMINDERS

SUPPORT AFGHAN REFUGEES

Impact Middle East is partnering with the Free Methodist Church USA to prepare for an anticipated influx of refugees fleeing Afghanistan. Impact Middle East has well-established refugee ministries in countries where fleeing Afghans have arrived or will arrive in the coming days and weeks. Those who would like give to help Impact Middle East assist these refugees may navigate to <https://www.impactmiddleeast.org/give> and select "Refugee Ministry" from the drop-down menu or to the Free Methodist Church's Operation Hope at <https://give.fmcusa.org/operation-hope>. Thank you for your generosity.

FREEDOM SUNDAY - SEPTEMBER 26

On Freedom Sunday, we acknowledge the tragedy of human trafficking within the context of worship. We sing, pray, reflect, lament and celebrate together. This is more than an event or a day. It's a movement of hope and healing, centered on Jesus. Please join us in worshipping in the direction of freedom in both of our services to hear how God is using Set Free at FPMC to foster hope in Seattle. We will also have SEED marketplace items available for purchase, both in-person and virtually. These goods have been made by international women in vulnerable situations.
