Go Deeper:

1. Have you ever been guilty of hoping for new results in life without being willing to implement necessary changes to make the new results become a reality?
2. King Josiah asked his top advisors to do something he had likely never asked them to do before. What did he ask them to do and why do you think he asked what he did?
3. How can someone determine whether someone offering advice is giving good advice or bad advice? (Hint: Read Matthew 7:15-20.)
4. What is something you feel God wants you to do that you have been resisting?
5. If it's not too late to do the right thing, what is the one right thing you know it's time to do?
6. Read each verse listed above and pick one verse and apply SOAP (Scripture, Observation, Application, Prayer).
