Go Deeper:

1. Why do you think so many people did not want to attend the man's banquet?
2. Why do you think Jesus clarified the type of people that we should host?
3. The man who threw the banquet eventually found people to attend the party. What was the difference between those who came and those who didn't?
4. What is the moral of the banquet story and why do you think Jesus chose to share it with the well-known Pharisee and his guests?
5. King David said, "Taste and see that the Lord is good." How have you "tasted and seen" that the Lord is good yourself?
6. Make a goal to host someone in some way in the next week or so. While you are hosting them, look for the opportunity to invite them to church where they will taste and see that the Lord is good.
7. Read each verse listed above and pick one verse and apply SOAP (Scripture, Observation, Application, Prayer).
8. If you have any stories of how you invited someone to church or were invited to church by someone else, we'd love to hear from you! Submit your story at hillschurchnm.com/mystory.
