Go Deeper:

1. What are some goals that you met in 2022? What are some goals you missed in 2022?
2. Why is it important to set achievable goals in your faith walk?
3. How do you feel your pace is when it comes to the new year and growing in your walk with Christ? If your pace isn't manageable and you find yourself not (finishing the bible in a year, attending church weekly, serving, etc.) As a Hills Group define what a manageable pace is and stick to it!
4. Pastor Von brought up a question, "Why do we settle for good enough in our faith." Why has "good enough" become the standard when it comes to following Jesus Christ?
5. When it comes to maintaining your faith which of the 3 stood out to you: Draw near to God and pray, Hold fast to the Gospel or meet together & encourage one another.
6. Read each verse listed above and pick one verse and apply SOAP (Scripture, Observation, Application, Prayer).
