Go Deeper:

1. Have you ever wondered what your purpose in life was? Have you had conversations about that with other people? What did that look like?
2. Before this message, what did you think of when you thought of your "calling"? Has your perspective on that changed since hearing the message?
3. Read John 21:1-19 in which Peter is reconciled with Jesus in a scene very similar to when he was first called to be a disciple. Why do you think Peter returned to fishing? What was the importance of the way Jesus interacted with Peter?
4. We naturally go through ups and downs in our faith. Have you had a down so bad you felt like you'd never have an up again? Did you feel like in that time you couldn't turn to God because you had "let him down"??
5. The call on our lives, even in the midst of our struggles is to follow Christ. What are some ways we can ensure that in our down times we continue to be strong followers?
6. What is one practical step you can take in your life this week to live in your calling?
