When you \_\_\_\_\_ for something, God will give you the  
\_\_\_\_\_ to \_\_\_\_\_ what you've asked for.

We are more \_\_\_\_\_ than ever, but we are more \_\_\_\_\_  
than ever.

\_\_\_\_\_

\_\_\_\_\_ one another means \_\_\_\_\_  
with one another.

It's about time you \_\_\_\_\_ a \_\_\_\_\_.

It's about time you \_\_\_\_\_ a \_\_\_\_\_.

.....

**Going Deeper:**

1. Have you ever prayed for patience, faith or wisdom? How did God work when you asked for those things?
2. Read Mark 11:24 again. What implications does that verse have on YOUR prayer life?
3. How many people that you know here at Hills church do you see throughout your week? What needs to happen to increase that number?
4. Why do you feel like people are more lonely than ever even though we have all this technology to help us stay connected?
5. Read Acts 2:46-47 - what parts of the early church practices can we participate in today? What can you do differently to see those practices happen?
6. ONE ANOTHER is a big concept in the New Testament. Today we mentioned several one another commands. Look these up: Romans 12:10, 16; 1 Peter 3:8; Ephesians 4:32; 1 John 3:11; 1 John 4:11-12. How should these passages change how you live with other Christians?
7. Look up 1 Corinthians 13. This is the chapter on how to love. Put in your name where you see the word "love". Does it fit? If not, what needs to change?
8. One another means community. What church communities are you involved in?
