(1 John 1:9, 2 Kings 23:1-3)

### Go Deeper:

1. Have you ever had to learn a better way to do something that you already knew how to do? How was your experience learning the better way?
2. What is the price you might pay if you don't seek godly advice for big decisions?
3. When you lead by example, why do you think that helps others so much with identifying what they're supposed to do?
4. In what practical ways can you renew your faith and commitment to the Lord? Brainstorm 4-5 things and discuss them with a trusted friend or family member.
5. Decide on one main area where you focus the renewal of your faith and commitment to God. Then decide one action you can take this week that will help you with your renewed commitment.
6. Read each verse listed above and pick one verse and apply SOAP (Scripture, Observation, Application, Prayer).
