Go Deeper:

1. Why do you think Joseph’s brothers wanted to kill him at first?
2. What was the motivation for the brothers to not kill Joseph after all?
3. With whom can you relate to more: Joseph, Reuben, or the other 10 brothers? Why?
4. If you’ve been going the wrong way, what is one step you can take to start going the right way?
5. If you’re been going the right way, how can you make sure you don’t give up? How can you bring others along with you down the narrow path?
6. Read each verse listed above and pick one verse and apply SOAP (Scripture, Observation, Application, Prayer).
