

## Truth Be Told 5 NOTES

*"Better Than Gold"*

May 22, 2022

Matt Mizell

- **Telling your story isn't to focus on the \_\_\_\_\_, but to celebrate the \_\_\_\_\_.**  
(John 8:32, Acts 3:1-8)
  
- **Let your truth be \_\_\_\_\_ about how Jesus is better than \_\_\_\_\_.**

### Go Deeper:

1. Some people tell their story simply to complain. Why do you think complaining is not the reason God wants us to share our stories?
2. Do you think the name of the temple gate where the disabled man was placed was hurtful or helpful to the man? Why?
3. Why do you think it was significant that Peter told the man to look at him?
4. Do you think the man's response to the gift he received was the right or wrong response?
5. Think back to your own responses to God's provisions. Have you responded well or poorly in the past? How can you respond better in the future?
6. In what ways can you change the way you share your story to celebrate rather than complain?
7. Visit [hillschurchnm.com/mystory](http://hillschurchnm.com/mystory) to share your story.
8. Read each verse listed above and pick one verse and apply SOAP (Scripture, Observation, Application, Prayer).
