

The New People
Week #5

Preliminary Discussion

1. Is it really that important to regularly attend a be part of a local church?

Teaching

Notes:

Table Discussion.

1. What stood out to you or was most helpful from the teaching?
.
2. Why do you think that assembly is so important to God? Why is it important that His people assemble in a way that is holy and pleasing to Him?
3. How might the local church assembly be a witness to the world and the means by which God expands His covenant family?
4. How does the understanding that church members are in covenant with each other and God most challenge you in your attitude and activities with others?
5. How might identifiable membership at a church be important to the covenant nature of the local assembly?
