Union with God changes and shapes:

1. How we _____ Him
2. How we _____ Him
3. How we _____ Him

Notes:

Table Discussion.

1. In point number one, Mark talked about how seeking God (in union with Him) is both inward and upward. Talk about the upward part. What does that mean and look like?

2. Union with God enables us to know Him in a unique way. How does bible study, prayer and other spiritual disciplines contribute or fit into this? Do they contribute to the knowing or is having His Indwelt Spirit all it takes?

3. How does a New Heart learn to beat and break for the things of God? Is that immediate or a process? Can it be stifled?
