Discussion Questions

1. God's high calling begins with responding to Him first through the message of the Gospel. Have you personally responded? To believe and enter into relationship with God through the person of Christ. That's how to begin! Have you responded to His truth?
2. Know that the Gospel, the power of God, will then cause you to change and be transformed to do good works and to glorify God. Do you rely on Him for strength? Do you come to Him for power to live faithfully and wonderfully for His glory? In what ways has the Gospel impacted you especially during this time of pandemic?
3. The Gospel will cause you to be different and distinct. Not like the world but more like Christ. So how is your profession and possession of faith going? Is it integrated in such a way that the watching world notices? What have you noticed about your own life and growth as a result of the Gospel?
