SCRIPTURE READING

1 John 2: 1 - 11

DISCUSSION QUESTIONS

Both living out Jesus’ commands and loving others takes the life change that comes through knowing the Bible. Tell us about your Bible reading habits. Do you have a routine? Have you ever made an effort to systematically study scripture?

How can our small group work together to encourage all of us to be reading the Bible daily? Can we read the same things each week? Use a YouVersion App and pick a reading plan?

When we meet together, what kind of discussion is helpful when talking about how we can live out these principles we find in scripture?

Who is the final decision maker for how we live this out together?

APPLICATION

The study of scripture is a discipline. How can we help encourage this discipline in our group?
