Watch the Video

|Read John 1:19-34

John the Baptizer arrives on the scene to prepare the way for the One who is to come. He is not the light- but testifies about the light.

John isn't looking for recognition. He isn't trying to position himself in a ministry where he will be blessed. He doesn't want to be a prophet or the Messiah.

His one goal: to prepare people for what is to come- Jesus.

|Read Romans 8:12-17

With Christ's arrival and departure, we have received the Holy Spirit, through faith in Jesus. The Spirit teaches, guides, repairs, and prepares us to be members of the Kingdom of God.
