SCRIPTURE READING

1 John 4: 7- 17

DISCUSSION QUESTIONS

How did your practicing 4 spiritual disciplines go this week (Scripture, Prayer, Meditation and Reflection)?

Has knowing God more transformed the way you love the people around you? How and why?

Is it intimidating that John says that the standard for love is God sending His Son for us? Why?

How is it that John can say that we are exactly like God in this world?

APPLICATION

If God’s love for us is that tangible, what is one way we can tangibly love someone far from God this week? Is there something we can do as a group?
