What does the text say about the kind of kingdom God is building?

What area of my life does Christ need to transform for his kingdom?

How would my community be transformed with these kingdom values lived out?

## SPIRITUAL DISCIPLINE

**Discipline of Service:** Service invites us to sacrifice our desires for the sake of others. When we serve we are going to battle with the darkness. Darkness invites to focus on our selves and our own desires. When we serve we are bringing God's light into the world!
