DISCUSSION QUESTIONS

Share about a time you were deceived or lied to?

How do you discern what is true and what is a lie?

Often we are deceived by listening to voices that turn our attention towards ourselves. How does sacrificial love focus our attention towards others?

APPLICATION

Make a list and identify followers of Jesus in your life who you can go to, to help discern what is true and what is a lie. It's good to have people who can discern with us and not to do it alone!

PRAYER REQUESTS & ANSWERED PRAYERS

make a list of prayer requests as well as a list of answered prayers
