## UPCOMING DEWITT MESSAGE SERIES

**STAND** - When we're pushed to the limit, we have a choice to make. Will we choose the path of least resistance or will we have the courage to take a stand? In this five-week series, learn about Daniel and five important times in his life when he stood for God. Covering everything from him being captured as a young man to the lion's den to the fiery furnace, we'll see Daniel and his friends Stand Out, Stand Firm, Stand up, Stand Strong, and Stand in Faith. *series begins August 7*

## UPCOMING ST. JOHNS MESSAGE SERIES

**GOD IS...** - Psalm 145:3 tells us: "Great is the Lord! He is most worthy of praise! No one can measure His greatness." Attributes are qualities or characteristics of a person or thing. Speaking of the attributes of God, A. W. Tozer says, "An attribute of God is whatever God has in any way revealed as being true of Himself." Some of God's attributes are generally known - God is the Creator of the universe. Other aspects are revealed only when we come to God in salvation. It is difficult for humans to fully comprehend God's character but we can begin to know Him through His attributes. This 6-week message series will explore just a few of the attributes of God that reveal His greatness. Understanding who God is can encourage our Spirit...and failure to do so can cause us to chase after false gods. Join us as we learn about who "God Is." *series begins today*
